camera solutions

Birds Camera Solutions GmbH is a provider of special camera solutions used at national and international sporting events, TV productions or conferences (German Bundesliga, UEFA Champions League, Rugby, New Year's Eve at Berlin among others). Many leagues and sports organisations trust in the know-how and the diligence of our teams and systems. A key area of activity is the lease of cable camera systems to production companies, organisers, production studios and sports leagues.

As a full-service provider, Birds Camera Solutions looks after the entire order - before, during and after the production. This includes set-up, including rigging, operation during the event with media technicians and system pilots, as well as dismantling, and sophisticated logistics.

Due to the increased demand for our systems and the simultaneous use at different locations, we are looking for a person supporting our team.

We are looking for a **Technical Manager for Cable Camera Systems (m/f/d)**

Your tasks

- ✘ Technical responsibility for special cameras incl. service, maintenance, repairs
- ✘ Support during technical planning of productions, preliminary inspections of venues and checking feasibility scenarios
- ✘ Supervisor and operation of special cameras as system pilot or camera operator, or support in setting up and dismantling systems on location (national and international)
- ✘ Coordinating the technical staff and planning for events
- ✘ Push the technical development of the systems in context with the manufacturers
- ✘ Introduction and training of new colleagues on our systems
- ✘ Continuous training in the field of TV broadcast, especially with regard to aerial camera systems

Your convincing profile

- ✘ Completed technical training or similar knowledge
- ✘ Very good technical understanding
- ✘ Previous technical knowledge of 3D special camera technology is desirable, alternatively the interest to familiarise yourself with the new topic
- ✘ You have experience in flying drones and/or model aeroplanes and would like to and would like to develop further in this area
- ✘ An independent, committed and self-reliant way of working
- ✘ Good knowledge of English (spoken/written)
- ✘ Class C1 driving licence (an advantage)
- ✘ Willingness to work weekends and public holidays
- ✘ Willingness to work abroad

Our offer

- ✘ An interesting job in a small team with the opportunity to develop and to actively shape one's workplace
- ✘ Participation in major national and international sporting events
- ✘ Insight into innovative solutions in TV sports production

Birds Camera Solutions offers a varied, interesting and autonomous task as well as a careful as well as a thorough induction. You will be part of the TV production team at national and international sporting events, TV shows and events. You can expect a committed team in a successful company in the broadcasting industry.
