camera solutions

Birds Camera Solutions GmbH is a provider of special camera solutions used at national and international sporting events, TV productions or conferences (ATP, German Bundesliga, UEFA Champions League, Rugby, New Year's Eve at Berlin among others). Many leagues and sports organisations trust in the know-how and the diligence of our teams and systems. A key area of activity is the lease of cable camera systems to production companies, organisers, production studios and sports leagues.

As a full-service provider, Birds Camera Solutions looks after the entire order - before, during and after the production. This includes set-up, including rigging, operation during the event with media technicians and system pilots, as well as dismantling, and sophisticated logistics.

Due to the increased demand for our systems and the simultaneous use at different locations, we are looking for a person supporting our team.

We are looking for a **Dispatcher & Project Coordinator** (m/f/d) Full/part time
